Danny Barto is a Business Development Manager for TMG - A values-driven Program Management Company dedicated to Continuous Improvement. TMG provides our partners with World Class Expertise, Flawless Execution, Self-Governing Program Management, In-Process Agility and an unwavering focus on solving the “Big-Picture” problem. We win only when our partners win!

Danny spent the last three years working in the Residential House Redevelopment Industry as an Investment Acquisition Manager purchasing property for a local real estate investor on the Virginia Peninsula. Danny was also the rental manager for the same company, handling all leasing and management of a large portfolio of rental properties across the area. Danny received a Bachelor of Science from the Business School at James Madison University in May of 2014.

As Business Development Manager, Danny represents a world class team of Master Black Belt instructors in the field of Lean and Six Sigma as well as TMG’s team of expert Program Managers that specialize in Team Performance Improvement. Danny is mentored by Joe Barto, Founder and President of TMG, to propagate the strategy development, training, and project execution that the TMG Team has provided over the last 16 years. He is also responsible for the development of contractual relationships with new and current partners. Danny assists in the growth of current and future business by generating new clientele for TMG, Inc. Also, currently serving as the Program Manager for TMG, working with New Horizons Regional Education Center on "The Good Life Solution" Program. TMG is working with local Manufacturing, Construction, and Automotive employers to recruit students from the Advanced Technical Career Academy directly into the workforce after CTE completion.
