Christina Corace is a Program Analyst and Instructor for TMG – A values-driven Program Management Company. Dedicated to Continuous Improvement, TMG provides our partners with World Class Expertise, Flawless Execution, Self-Governing Program Management, In-Process Agility and an unwavering focus on solving the “Big-Picture” problem. We win only when our partners win!

Christina has worked over a decade in the Norfolk Port within the Maritime Industry. Her ship repair career began in April 2006, providing office support to the production shops, predominantly Paint and Rigging. By the summer of 2012, she transitioned into the Safety Trainer position and has continued to have a passion for safety and employee relations. Christina graduated from Columbia Southern University January 2015 with a Bachelor of Science in Business Administration, and an Associate of Applied Science in Business and Occupational Safety and Health. Staying tied to the Military community and showing her support, she volunteers with the USO of Central Virginia Hampton Roads Chapter.

Since becoming a team member at TMG in August of 2017, Christina has offered support to the Team Performance Improvement Programs and Lean Six Sigma Programs. She is currently assisting in the development of the 2018 Bronze Belt Curriculum, and the TPI program for Torotel in Olathe, Kansas.
