Joseph Pedulla is a Project Analyst for TMG — A values-driven Program Management Company. Dedicated to Continuous Improvement, TMG provides our partners with World Class Expertise, Flawless Execution, Self-Governing Program Management, In-Process Agility and unwavering focus on solving the “Big-Picture” problem. We win only when our partners win!

Joseph Pedulla received his education from Old Dominion University, majoring in Criminal Justice. His drive to build, and create things drove him up to northern Virginia where he began his career in construction. His persistence to learn allowed him to eventually become the Assistant Superintendent in the Residential House Redevelopment Industry, where he managed the development of 80 houses per year.

Joseph just began his journey with TMG, and he looks forward to growing client relationships, and serving with excellence.
