Dana O'Donnell has been in her role with TMG, Inc. - a values-driven Program Management Company dedicated to Continuous Improvement, since August of 2011. TMG has been dedicated to improving leader behaviors, increasing team engagement, and building high performance teams since 2002. TMG provides our partners with World Class Expertise, Flawless Execution, Self-Governing Program Management, In-Process Agility and an unwavering focus on solving the "Big-Picture" problem. We win only when our partners win!

Prior to her role with TMG, Dana worked with Media Box Studios as the Facility Security Officer (FSO). Unfortunately, the Raleigh branch location of Media Box closed in 2011, but this provided Dana the opportunity to work with TMG. During her time as the Executive Assistant, her duties have grown to allow for extensive interaction in all aspects of the business. She is integral to the business development of TMG working closely with venues and potential partners to organize various large and small events throughout the year; additionally, as the EA to the president, her ability to keep multiple schedules well-ordered is essential and outstanding.

After attending Virginia Tech where she studied education, she refocused her energies on being a wonderful wife and mother. Dana returned to the workforce as a Librarian Assistant at Grace Miller Elementary School in Fauquier County Virginia. She enjoyed her time at the library, as working with children has always been a passion, but an exciting career advancement for her husband, moved the family south to North Carolina. This is where she began working with Media Box and then with TMG.

Dana was married in November of 1986 to John O'Donnell. They have 2 children, Michael and Meghan. Michael married in 2014 to Melissa Carney. They have given Dana her pride and joy, her first grand baby, Faith Renee.
