

DIAGNOSIS: Team Mapping - PCM Profiles

Target objectives with a teammate whom you have difficulty relating to

-
-
-

What have I learned?

What do I understand better?

What will I use?

- **For my internal conflicts?**

- **For my relationships with other departments?**

- **For my direct relationships within my team?**

Action: behavior / attitude

1/ Identify the teammate with whom is the most difficult to work with?

2/Their personality type
2.5/ Your personality type

3/Actions to be implemented?
3.5/When will a follow-up occur?

4/Comments and Concerns
